- High resolution applications
- Wedding pictures

Sizes and Item Nos.

Rolls		
Width (in.)	Length (ft.)	Item No.
24	40	7652440
36	40	7653640
42	40	7654240
44	40	7654440
50	40	7655040
54	40	7655440
60	40	7656040

Finishing

Use liquid laminates only. Laminates with UV inhibitors increase fade and scratch resistance, and provide effective surface-protection from dirt and moisture.

Handling

- Store unused media in its original packaging
- Before use, allow media to acclimate to the environment
- Avoid touching the printable side without cotton gloves
- Allow media to dry thoroughly before any secondary operations
- Do not allow the printed surface to come in contact with itself

Storage Condition

Temperature	65-75° F (18-24° C)
Relative Humidity	40-60%

Shelf Life

1 year from ship date

Processing Tips

- Ink lay down not to exceed 340%
- For optimum results, use process black as opposed to composite black

Color Profile

For more exacting color, it is recommended to develop custom profiles for a given ink/media/printer combination.
